Dear Members

With the Maleny Show over for another year, I wish to sincerely thank those volunteers who worked at the coffee tent. Helen Gilmour-Walsh did a sterling job in organising the roster. Our baristas kept up with the orders and our volunteers handled all orders with a smile. This activity was socially, culturally and financially rewarding.

Friday night dining: Until further notice, all meals will be \$20. For the last Friday of the month, Steph, our chef, will put on a carvery offering a choice of three roast meats and roast vegetables. We look forward to seeing you at our Diggers Bar which is open Fridays from 4.30 onwards, with meals available from 6pm.

This week, we were advised that our application for a minor grant of \$2000 from Sunshine Coast Council has been successful. This money will be used to set up a library and historical collection in the room previously used as the Bridge Club office. We have ordered bookcases for the library and will use the existing display cases to house the historical collection. RSL Maleny will provide new carpet, paint and suitable lighting as our contribution to this project.

On 21-22 June, I will be attending RSL (QLD) State Congress, including the 2019 AGM, in Brisbane. Of particular interest will be the adoption of the final draft Constitution which is available for perusal on the RSL (Qld) website.

Attendance at Bingo (organised by RSL and Maleny Lions) has been consistent so we have agreed to continue beyond our three-month trial period. From 02 July, Bingo will be held on TUESDAYS, with the doors open at 10am and play beginning at 10.30am.

Until next month, stay safe and well.

Clarke Alexander

(President)
